She is an independent expert and trainer for Human Rights & Gender Competence and specialized in long term consultancy for the implementation of gender mainstreaming and gender budgeting (change & stakeholder management) and empowerment programs for EC, UNDP, GIZ, for public administrations, institutions, companies and politics. She has a strong focus on the implementation of human rights and is looking forward to an inclusive and holistic human rights budgeting, to de facto gender equality, peace and social justice. She delivers consultancy for NGOs, institutions, politics as to the implementation of CEDAW and other Human Rights Treaties and standards. She supports individuals and groups to submit complaints to UN-CEDAW or other UN-Treaty Bodies and consults individuals, groups or organizations to end discrimination by intervention, campaigns. She empowers to participate in UN or regional mechanisms and dialogues and builds alliances. She was successful in several cases in the last 14 years.
